

U3A Bridge Directions & Information

Thank you for the interest that you have shown in our U3A Social Bridge Group.

We play on Thursday afternoons between 14:00 and 16:30 at La Casita in urbanisation Dream Hills.

La Casita is a small community building in the centre of the urbanisation which may need a little searching out!

One way to get there is from the Punta Prima roundabout on the N332:

- Travel away from the sea along Calle Escorpiones.
- When you get to the last island at the top of the hill turn left into Lugar Peri los Altos.
- Drive past Consum on the left and carry on until Via Park 3.
- Turn right into Calle Lagunas de Ruideras.
- Follow the road until you come to Via Park 5 on the right and the Restaurante Colonial.
- Park on the road just past here and walk through any of the streets (with No Entry signs) on the right for approximately 50 metres.
- La Casita is at the end of the street.

If you want to check directions on Google Maps look up Restaurante Colonial Orihuela. La Casita is situated in the larger green area just past the restaurant on the right.

We meet for tea and coffee at 1.30pm and start playing at 2.00pm.

Please contact us if you would like to join the group as at the moment numbers are limited.
