

### Torrevieja U3A Newsletter

#### August Edition

Know this:- It always seems impossible until you try it, so try it.  
Don't be afraid.

As we have not met for a while there is little to speak of in this month's newsletter but I hope it finds you all in good health and enjoying the summer break. Maybe you have visited friends and family or maybe they have been to stay. Either way I hope you are making the most of the break and look forward to seeing you all soon.

Whilst we have not met for a short while, the committee has kept in touch and has been working on future social activities and events.

#### **Upcoming social events.....**

***September - Lemons and Tarts - Welcome back Dinner***

***October - Cheese and Wine Afternoon - Caminito del Rey holiday***

All the above have already been advertised.....

***Yet to come and to be advertised.....look out for the flyers and email notification***

***November - Quiz Evening***

***December - Santa Beetle Drive***

***May 2026 - An Albacete overnight Adventure***

As previously mentioned, some of our groups are continuing through the summer break with most preparing to start again next month. Keep in touch with our website. Look out for our groups update and make the most of your membership by doing as much as you can. I know Michelle has been looking for additional group leaders and has also come up with additional groups outside of the u3a such as tennis, table tennis and gardening. If you want more information then contact Michelle through our website or email.....[u3agroupsliaison@gmail.com](mailto:u3agroupsliaison@gmail.com)

Looking ahead to our monthly meetings at the CMO, we are well appointed for speakers into next year and I am looking forward to being able to present to you some interesting topics. Travel and tourism, Historical and Crime novels, Cycling along the Rhine, and much more.

**In general news**.....Wednesday 27th August will see "La Tomatina." thought to be the biggest food (tomato) throwing event in the world. Are you going ? Have you been ? Let us know, I would love to hear from you.

The Jerez sherry festival starts on the first Saturday of September and is a three week celebration centred around sherry, horses and flamenco. Known as the Fiesta de Otono

**Website update**.....*we have a new link with lots of information for those of us living in the Torrevieja area. The link to take you there is here. [Discover What's On in Torrevieja](#) Just scroll down the page to see it.*

Finally, wherever you have been, whatever you plan to do I hope you enjoyed/enjoy it. Stay safe and see you again soon.
