
Know this... You're never going to look back and think...I went on too many holidays, saw too many places, enjoyed so many things....Memories are worth every penny.....Just Do It

Thank you all (55) for attending the monthly meeting at the end of May. Roger gave us details of his Airbnb experiences, covering different places he had been to using the booking platforms.

At the end of this month we welcome Debbie Payne from the English Cheese company. We will be providing a look into the world of cheese production followed by an opportunity to sample and purchase some of their delights. A different presentation to end the season on.

If you have been to the last couple of monthly meetings, you may well have realised that our entrance notice board has just not been the same. That's because we have lost Roger Waller who prepared and set it up for us. Roger has not been too well and so unfortunately has had to give up this role.

1. Thank you Roger for all your help.
2. Anyone fancy a go. Contact me please.

As always, we have room for more committee members, helpers, assistants and just 'all round' volunteers to help maintain the association in going forward. **It would be a shame to let all the years of hard work go to waste at the next AGM.**

Are you good at speaking or presenting? Do you know of anyone that has a story to tell? DIY disasters, renovating,

moments that they overcame. Did you have an interesting job or behind the scenes to tell us about. Let me know.....please.

Our social events have had a steady interest but we can always find room for more. Let's enjoy what's in store.....**Fun day BBQ in Torrevieja.....Welcome back dinner evening.....Lo Rufete day events, Quiz evening.....Murder Mystery.....Santa Drive and Murcia Christmas lights.**

Keep an eye out for the flyers, the website or simply ask your committee. Don't forget...check Spam and Junk mail

Did you get to see the latest offering from Studio 32....9 to 5....what a brilliant show. Don't forget there are many other amateur theatrical groups in our area as well as professional performances in the local theatres. Keep an eye on the newspapers and our website for details.

Nice to see another rise in our membership numbers following the May monthly meeting and June coffee morning. We now have over 750 members. So many members enjoying life together.

Don't forget we are still collecting dry goods to help out local charities as well as our loose change bucket.

In business news:

The Torrevieja seafront transformation, whilst not yet complete, recently enjoyed a spectacular opening night. With a €100 million investment. Restaurants, leisure facilities and commercial units all make Torrevieja city a major attraction and focal point for residents and tourism. With lots more to come. A real glimpse into the future of Torrevieja.

Our Spanish police friends tell us that July 7th 2026 brings in new EU regulations. New vehicles will be fitted with flashing brake lights for added driver safety. Maybe a lesson to use the new AI traffic lights at Punta Prima would be a better option !!

Bye for now and thank you all for your continued support and don't forget....No CMO or coffee morning meetings July and August. See you in September. Stay safe.

Riddle..what is easy to lift but hard to throw.

Answer.

A 🦋 feather
