Hello and welcome back to our first month of the winter season. Not that summer is over but we should be heading towards lower temperatures and the end of summer for this year.

This month is all about our **Discovery Fair on Monday 26th** and is an opportunity to indulge in our popular groups. Chess, CAD, Crafting and many more: along with demonstrations from our Yoga and Morris Dancing groups and also an opportunity to meet the leader behind the group and have a taster on the day.

Our membership team will be on hand at our September CMO meeting to help anyone struggling with booking online. Let us take the time to try and explain maybe why and how. Look out for our **20th Anniversary "Roll Back" celebration**...November membership. Details to follow.

Our social events are moving at a pace and Dee is working hard to find available and suitable locations.
